THE HEART OF ARTISAN BAKERIES™

About Us: TMB Baking is a full-service baking equipment and accessories company serving the North American artisan bread and baked goods industry. Over the past 36 years, we have serviced our customers by providing process and layout consulting services; bakery equipment selection including accessories, spare parts, and smallwares; and installation and technical support to allow bakeries to grow and flourish.

Our Smallwares Catalogue is only a fraction of the materials available. If you don't see what you need, please call us at (650) 589-5721 or send us an email at smallwares@tmdbaking.com with a photo or description of what you're seeking and we'll do our best to locate and quote the items you require.

NOTICE: Due to increased costs of packaging and labor, we are forced to implement a \$25 fee on any orders under \$100. Our new catalog and pricing is effective January 1, 2022.

Be sure to check out our wide range of bakery equipment, including deck ovens, rack ovens, retarder-proofers, spiral mixers, dividers, divider-rounders, baguette moulders, and other products.

Thank you for allowing us the opportunity to serve your bakery equipment, smallwares, accessories, consulting, and spare parts needs!
